

IntelliTone™ Toner and Probe Series

**IntelliTone Toner and Probe –
Finds the cables the
others can't.**

Fluke Networks has redefined the performance and cable locating capability of toners and probes with the announcement of the new digital IntelliTone™ Toner and Probe Series. The breakthrough IntelliTone™ digital signal technology makes other toners and probes obsolete.

IntelliTone 200 Probe

IntelliTone 200 Toner

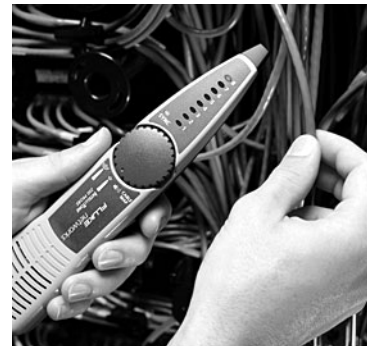

IntelliTone Toner and Probe target users

Cabling installation professionals and network technicians who are responsible for installing, maintaining and managing moves, adds and changes for voice/data/video cabling media.

Advantages of IntelliTone

IntelliTone is a breakthrough solution – and the only solution – that locates and isolates even the most elusive, hidden or bundled voice, data and video cables quickly and reliably, even on active networks. With dramatic gains in speed, precision and productivity that make analog tools obsolete.

- Ends cable location confusion, decisively rejects noise and false signals
- Locates cable quickly from a distance, even on an active network
- Isolates cable and wiring precisely from a bundle, despite cable bleed
- Validates twisted-pair installation with visual end-to-end cablemap (opens, shorts, and reversed pairs)
- Simplifies cable location in noisy environments with smart audible, visual signal indicators
- Safely and effectively tones active networks
- 30-day money back satisfaction guarantee on 100 and 200 kits

Value to customer

Cut hours of cable tracing to minutes with IntelliTone digital technology – saving time and money

- 50% of cables can't easily be found with analog toner/probes
- One cable that can't be found = one hour of hassle
- Turn one hour of hassle to five minutes of troubleshooting
- Save 55 minutes every toning project

Your customers can save 95 hours a year if they perform an average of two toning projects a week

IntelliTone 200 Kit is like having six tools in one

- Toner and Probe
- Pair based wire checker
- Service Checker
- Coax Checker
- Digital Multimeter
- Breakout box

Save more than 36% over individual product purchases when you buy the IntelliTone 200 kit.

Satisfaction guarantee

If, within 30 days after purchase, your customer is dissatisfied in any way with the IntelliTone Toner and Probe Kit (MT-8200-50A, MT-8200-60A), they can return it to Fluke Networks with a copy of the sales receipt for refund of the purchase price.*

* Visit www.flukenetworks.com/itguarantee for more information. Refund does not include return postage or duties.

IntelliTone™ Toners

Feature	100	200
IntelliTone™ Smart Digital Signal Technology		
Locate tone (max. radiation)	•	•
Isolate tone (balanced signal)	•	•
Cablemap conductor validation	•	•
Continuity	•	•
Talk battery	•	•
Female jack RJ-45/11	•	•
Multiple tone songs	•	•
Probe cords with banana jacks	•	•
F connector with replaceable female adapter	•	•
Auto-off	•	•
Analog tone compatible	•	•
One-year warranty	•	•
Service Identification		
Telephone voltage and polarity line 1	•	•
Telephone voltage and polarity line 2		•
Ethernet link detect - 10/ 100/1 Gb Ethernet		•
Open/unknown	•	•

IntelliTone™ Probes

Feature	100	200
IntelliTone™ Task Flow Selection		
Locate tone detect	•	•
Isolate tone detect	•	•
Volume control	•	•
Signal LEDs	•	•
Synch LED	•	•
Female jack RJ-45/11		•
Auto-off	•	•
Analog tone detect	•	•
One-year warranty	•	•
Cablemap		
Shorts		•
Opens		•
Crossed pairs		•
Reversed pairs		•

Ordering Information

Model Number	Items Included
MT-8200-60A	IntelliTone 200 Toner and Probe Kit Includes IntelliTone 200 Toner and 200 Probe, coax F connector adapter, (2) RJ11 and (2) RJ 45 patch cables, test leads with alligator clips, lanyards, owners CD and quick start guide, (2) 9 volt batteries
MT-8200-50A	IntelliTone 100 Toner and Probe Kit Includes IntelliTone 100 Toner and 100 Probe, coax F connector adapter, RJ11 and RJ 45 patch cables, test leads with alligator clips, lanyards, owners CD and quick start guide, (2) 9 volt batteries
MT-8200-61A	IntelliTone 200 Toner Includes IntelliTone 200 Toner, coax F connector adapter, RJ11 and RJ 45 patch cables, test leads with alligator clips, lanyard, owners CD and quick start guide, 9 volt battery
MT-8200-51A	IntelliTone 100 Toner Includes IntelliTone 100 Toner, coax F connector adapter, RJ11 and RJ 45 patch cables, test leads with alligator clips, lanyard, owners CD and quick start guide, 9 volt battery
MT-8200-63A	IntelliTone 200 Probe Includes IntelliTone 200 Probe, RJ11 and RJ 45 patch cables, lanyard, owners CD and quick start guide, 9 volt battery
MT-8200-53A	IntelliTone 100 Probe Includes IntelliTone 100 Probe, lanyard, owners CD and quick start guide, 9 volt battery
IntelliTone™ Toner and Probe Accessories	
MT-8202-05	IntelliTone Case Includes heavy-duty pack cloth padded and lined case with belt loops and d-ring
MT-8203-20	Test Leads with Bed of Nails Includes set of two banana jack test leads with piercing pin “Bed of Nails” alligator clips with vinyl sleeves
MT-8203-22	Test Leads with Alligator Clips Includes set of two banana jack test leads with standard alligator clips with vinyl sleeves
